

## **DIRECTIONS**

We are fairly easy to find, however there is a lack of streetlights and your SATNAV may send you to the wrong end of Frenchmoor Lane (see below). Please do not struggle if you are at all unsure of directions, do just call and we would be only too happy to help! But beware mobile phone coverage in the area is very patchy.

For SATNAV purposes please use postcode SP5 1NU which will bring you straight to us, however, Frenchmoor Lane (where Bentley's is) is a no through road with a railway line cutting it in half, with pedestrian access only if you finish up at the "wrong end". If you are coming from the South or West you may be directed through West Dean. This is correct, however when in West Dean avoid being directed to East Dean and Lockerley, instead head towards West Tytherley over the railway line and continuing for approx. 1.5 miles, turn right into Red Lane as you reach the edge of West Tytherley. Then turn right again into Frenchmoor Lane and head some 500 yards to Bentleys located on the left.

### **From the East (London) or From the North**

Leave the A303 at the junction with A34, taking the A30 towards Stockbridge. Continue through Stockbridge on the A30 towards Salisbury. Approx. 2 miles after leaving Stockbridge turn left sign posted to Broughton. Upon reaching a T-junction turn left into the village. At the next T-junction opposite the Greyhound Pub turn right. At the next T-junction turn left towards Romsey (Romsey Road) After 2 miles just beyond the top of the hill turn right signed East & West Tytherley. Continue for about 2 miles at the T-junction turn Right towards West Tytherley. On entering the village by the church turn left into a narrow Lane 'Red Lane' continue on the narrow winding lane for a mile and on the left you will reach Frenchmoor lane (on a right hand bend). You will find Bentleys approx. 500 yards on the left.

### **From the South**

Use the A36 (avoid using the A338 if you are coming from the south west and continue along the A31 to the A36 junction) travel towards Salisbury. Exit at the junction signed "West Dean, Farley and the

Grimsteads" (sign is on the slip road). Follow the signs for West Dean, through West Grimstead. Upon reaching West Dean continue straight towards West Tytherley (ignoring your SATNAV and the sign to East Dean and Lockerley). Just as you arrive on the edge of West Tytherley turn right signed "Frenchmoor" into Red Lane and a short distance later right into Frenchmoor Lane. Bentleys is approx. 500 yards on the left

### **From the West (using the A303)**

When reaching Amesbury take the A345 towards Salisbury. After 3 miles take the exit left signed Porton. Upon reaching the crossroads head straight over into Porton village and continue under the railway bridge and past Porton Down Campus & "DSTL" (on your left) for a further 2.5 miles (over military land) until reaching a T Junction and traffic lights. Here turn Right and immediately left signed "Pitton, Firsdown". After approx. a mile at a cross roads turn left signed "West Winterslow". Up the hill and entering West Winterslow take the second left turn at the bottom of the hill signed "The Common, Barry's Field". Follow the road for a couple of miles to a T-junction at the bottom of the hill signed "West Tytherley". Turn right and follow the road through the village for 1.5 miles and at the bottom of a hill turn left signed "West Tytherley". Continue for 3 miles into West Tytherley passing the village shop and the Black Horse Pub on your right-hand side. Continue up the hill through the village towards West Dean, after approx. ¾ mile turn left signed "Frenchmoor" and shortly after right into Frenchmoor lane and head some 500 yards to Bentleys located on the left.

### **Useful information**
